ORDER:

In the G.O. 3rd read above, orders were issued permitting the DAH to promote silage production in a big way involving farmers in the state with incentives on equipment required for preparation of silage and TMR to make best use of the available crop residues as per the incentives approved in Fodder Security Policy. In the references 4th and 6th read above, DAH has reported that to meet the heavy demand of silage and to mitigate the fodder shortage during the ensuing months, there is every need to promote entrepreneurs / FPOs for production of silage in a big way in the State. 32 entrepreneurs from all over state has been sanctioned Medium Silage Units which can produce about 350-400 kg bale size including harvester cum chaffer, baler cum wrapper with unit cost of equipment for Rs 80.00 lakhs on 75 % subsidy. In addition to this, 40 progressive farmers from all over state have also submitted their applications for sanction of government subsidy on Mini Silage Units of about 100-120 kg bale size including harvester cum chaffer, baler cum wrapper with unit cost of equipment for Rs 10.00 lakhs.

2. The Director, Animal Husbandry has also stated that as per the provisions laid down in the GO Ms.No.96 of AHDD&F Dt. 28-04-2016, the entrepreneurs are entitled for Government subsidy (75%) on Silage bale making equipment of about 150-400 kg bale size including harvester cum chaffer, baler cum wrapper with unit cost of equipment for Rs 80.00 lakhs and Rs.10.00 lakhs. In the series of meetings held with progressive farmers it was requested by the farmers that there is a need of incorporation of certain additional components like Tractor (80 HP & 55 HP), Loader and Generator (62 KVA) in these Silage making units which results in raising of unit costs from 80 Lakhs to 110 Lakhs in Medium size silage making units and from 10 lakhs to 25 lakhs in case of Mini silage making unit. The entrepreneurs when brought this issue to the notice of the then Chief Secretary to Government of Andhra Pradesh in meeting held in his chambers on 02-11-2016, the then Chief Secretary has directed the department to include those components i.e. Tractor(80 HP & 55 HP), Loader and Generator (62 KVA) in the Silage making units even though the unit cost is

exceeding Rs. 80.00 lakhs and Rs. 10 lakhs respectively for medium and mini silage making units with restriction of subsidy on generator to 50 %.

3. The Director, AH Department has therefore requested the Government to permit the department to include the above said components in Medium size and Mini Silage bale making units in accordance with the spirit of the provisions laid in the GO Ms.No.96 of AHDD&F Dt. 28-04-2016 for implementation of different models of Silage making units on subsidy basis. The expenditure will be met within the provisions of BE 2016-17.

4. Government after careful consideration of the circumstances stated by the Director, AH Department in his letters 4th and 6th read above, hereby permit the Director, AH Department to include the additional components like Tractor (80 HP and 55 HP), Loader and Generator (62 KVA) in Medium size and Mini Silage bale making units in accordance with the provisions laid in the GO 3rd read above for promotion of different models of Silage making units on subsidy. Government also enhance the unit cost from Rs. 80 Lakhs to Rs. 110 Lakhs in case of medium size silage making unit and from Rs. 10 Lakhs to Rs. 25 Lakhs for mini silage making units with restriction of subsidy on generator to 50% expenditure shall be met within the provisions of B.E., 2016-17.The expenditure shall be met within the provisions of B.E., 2016-17.

5. The Department will have no buy back commitment of Silage produced.

6. The Director, AH shall requested to take necessary action in the matter accordingly.

(BY ORDER AND IN THE NAME OF THE GOVERNOR OF ANDHRA PRADESH)

Dr. MANMOHAN SINGH,
SPECIAL CHIEF SECRETARY TO GOVERNMENT

To
The Director, Animal Husbandry Department, A.P., Vijayawada.
Copy to:- The A.G.(A&E), , AP Hyderabad.
